GREETING FROM THE PRESIDENT

ENRIQUE ZONE ANDREWS

For more than 45 years the International Faculty of Theology has been dedicated to preparing men and women for the ministry. Let me share with you three main strengths that make Facultad Bible College a key choice when thinking about completing your Bible College degree:

First, the quality of our faculty. All have earned degrees in their field and ample ministerial experience. You will sit under professors who not only have the knowledge, but have actual experience in the ministry.

Second, the program of studies. It is geared for the adult learner who has years of Bible Institute learning and experience in practical church related work. Our program provides an academic bridge that builds on Bible Institute units of study towards a Bachelors in Christian Ministry- usually completed in one year. Our degree also provides access to post graduate degrees. We do it in English as well as Spanish. It is simply a great program!

Third, the student body. Make no mistake, our students passionately respond to the Call to Ministry. Our student body is made up of Pastors and lay leaders, men and women, from the mosaic of the urban and suburban populations, from all walks of life. What they all have in common is a drive to better deliver the Good News; to better prepare for the Master's service; to fully embrace the call of the Lord.

I say it from my heart: the energy and enthusiasm of the faculty, the creative academic bridge program, and the committed student body, make Facultad Bible College the place to be.

May the Lord guide you our way!
